

Proposal A

- 1 French voluntary activation, a turn, starting with Austrian occupation of French setup locale, bombardment or assault
- No multipiece commands until all units activated
- make approach 4/8 impassible
- pieces cannot leave setup locale on round of involuntary activation
- collapse locale 4 + 5 together

Proposal B

- Use disorganized/organize/organized
- Collapse 4 & 5 together
- Make 4/8 impassable
- Organize. is an operation
- Pieces can perform another operation in dom. organized
- Piece cannot leave a locale if disorganized or in same locale as disorganized piece
- no multi-piece operations until all pieces organized
